SYMPTOMS OF CATARRH—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, or incrusting, thick, yellowish, or greenish, putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, hawking or coughing to clear the throat, expectoration of offensive mucus, and a hoarse voice; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired, there is a sensation of dizziness with vertigo, and the body has increased general debility. Only a few of the above-named symptoms are likely to be present in any one case. Those who of course, usually, without means of cure, half die, and sometimes result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, as is understood by physicians.

By small, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Cold in the Head," Coryza, and Catarrhal Headache.

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. W. GARNER, the famous medical man of New York City, says to his wife: "I am told untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. This case was such a hopeless one, every physician said I might as well give up. My voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in the month of June, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

The Rev. J. Rutherford, 2305 Pine Street, St. Louis, Mo., writes: "I was a real sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not bring up any痰. I consulted many physicians, and nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh. I am manufacturer, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, is to be had, postpaid, by adding 10c on receipt of a two-cent postage stamp.
